

## Scholarships for AFT Families

Every year AFT Massachusetts awards thousands of dollars in scholarships to eligible high school seniors. The awards, named in honor of former AFT leaders Kathy Kelley, Albert Shanker and Sandra Feldman, and for long-time AFT Massachusetts field representative Jay Porter, are awarded on the basis of a labor history exam administered by the Massachusetts AFL-CIO.

- The deadline to register for the labor exam is December 22, 2023.
- The scholarship exam will be administered online between Monday, February 5, 2024, and Friday, February 9, 2024.
